Tom Horn and Josey Wales category requirements

Tom Horn and Josey Wales are not SASS recognized categories

Tom Horn requires the use of a rifle caliber repeater or single shot rifle on the big bore targets. The single shots use fewer rounds than the repeaters. The rules and requirements are:

- Must use a SASS recognized rifle caliber repeater or rifle caliber single shot as described in the SASS Shooters Handbook under the Long Range or Precision Rifle section. The 38-55 rifle meets this requirement.
- May be shot with Black Powder or any SASS-approved substitute OR that heathen smokeless.
- Any main match pistols in 40 caliber or larger. The .38-.40 pistol meets this requirement.
- Pistols may be shot in any SASS legal style.
- Any SASS legal shotgun
- All stages will have Big Bore targets. Shooters must be prepared to use your Big Bore rifle for all stages. These targets will be clearly marked in the stage descriptions.
- If you choose to use both a single shot and a repeater, the category will default to repeater.
- Want to give Tom Horn a try but don't have the pistol requirements? The Tom Horn Lite category will allow any caliber main match pistols, along with a big bore rifle.

Tom Horn and Josey Wales category requirements

Tom Horn and Josey Wales are not SASS recognized categories

Jose Wales requires the use of 5 main match pistols – any caliber: 2 for pistol targets, 2 for rifle targets and 1 for the shotgun targets. Josey Wales is shot Duelist-style – Josey Wales Lite category will allow 2-handed shooting, including Gunfighter

The rules and requirements are for safety and smooth, quick stage flow in mind.

- Revolvers will be used in place of the rifle and shotgun – 2 for rifle and 1 for shotgun.
- Revolvers will be loaded with 5-rounds each, per SASS rules. The revolver used for shotgun targets will be loaded with the required number of rounds per stage instructions. Reloads for missed shotgun targets or bonuses may be done on the clock.
- The additional revolvers will be staged in the same manner as the rifle and shotgun per stage instructions.
- Josey Wales category will be shot Duelist-style.
- Josey Wales Lite category will be shot two-handed, including Gunfighter.
- The additional revolvers may be carried in an additional holster rig to and from the firing line.
- Shooters may only draw from holsters for the pistol targets.
- If a shooter does not have a holster for each extra revolver, the extra revolvers will be carried with the muzzles up at least head-high to the staging area for the rifle and shotgun as to not sweep anyone. The RO or other posse members may assist in carrying the extra revolvers.
