

# IN MEMORY OF ALLIE MO

Entered the golden gates January 1, 2022 ❤️

Allie Mo was a fantastic seamstress and made all her outfits. She took costuming seriously and always looked like she stepped out of a Western.

"Allie didn't miss a single opportunity for fun and comradery, did she. She was one of a kind from a mold only our Lord could have fashioned. Her wonderful and loving heart, her being one of God's disciples of the obligation to uncompromising duty, and that joyful soul of hers places Allie as the newest entry into the Congress of Angels. No doubt she's being well received with high 5's all around. Dear Allie, look over us and guide us to live our lives from your book of wonderful heart. Amen."

~ Boss Hays & Dusty Shootin' Irons

"I always looked forward to my Allie Mo hug at the SASS Conventions. She was always smiling and if you were nearby, you'd be laughing along with her too. A sweetheart that is truly missed. RIP Allie Mo (no e)."

~ Chuckaroo

Allie was a passionate ambassador for the sport and embodied the true spirit of SASS. A friend to those who shot with her and to those who's lives she touched on the SASS Wire.

Long time member of the California Rangers, Murieta Posse and The Outlaws in various roles, including TG.

Rest in Peace, Allie Mo. We'll posse up again someday.
